Press Release: Youth Olympic Games Beach Volleyball Qualifier

Replicating the efforts of Rodel Fraser and Delshun Welcome in 2014, the pair of Enrico Louraine and Micah Glasgow have secured a spot to participate in the 3rd Youth Olympic Games to be held in Buenos Aires, Argentina from October 1st – 6th 2018. Competing in the qualifying tournament in Antigua over the weekend (June 15th – 17th) the pair played undefeated in the six (6) country competition overpowering Grenada in the finals.

Participating in the female category the team of Holly-Anne George and Sherese Cyrus placed second in their first round grouping. They moved on to the semi-finals but were unable to advance any further and as a result earned a third/fourth playoff berth where they faltered and placed fourth.

The SVGVA takes this opportunity to congratulate the players and coaches, Nikita Campbell and Daryl Franklyn, who prepared and accompanied the teams to the competition.
